

### Directions from the Albuquerque Airport to the PRRC

Leave the airport on Sunport Blvd—stay to your left; you will be heading west. Cross the bridge over I-25, then turn left at the stop sign—this will put you on I-25, heading south.

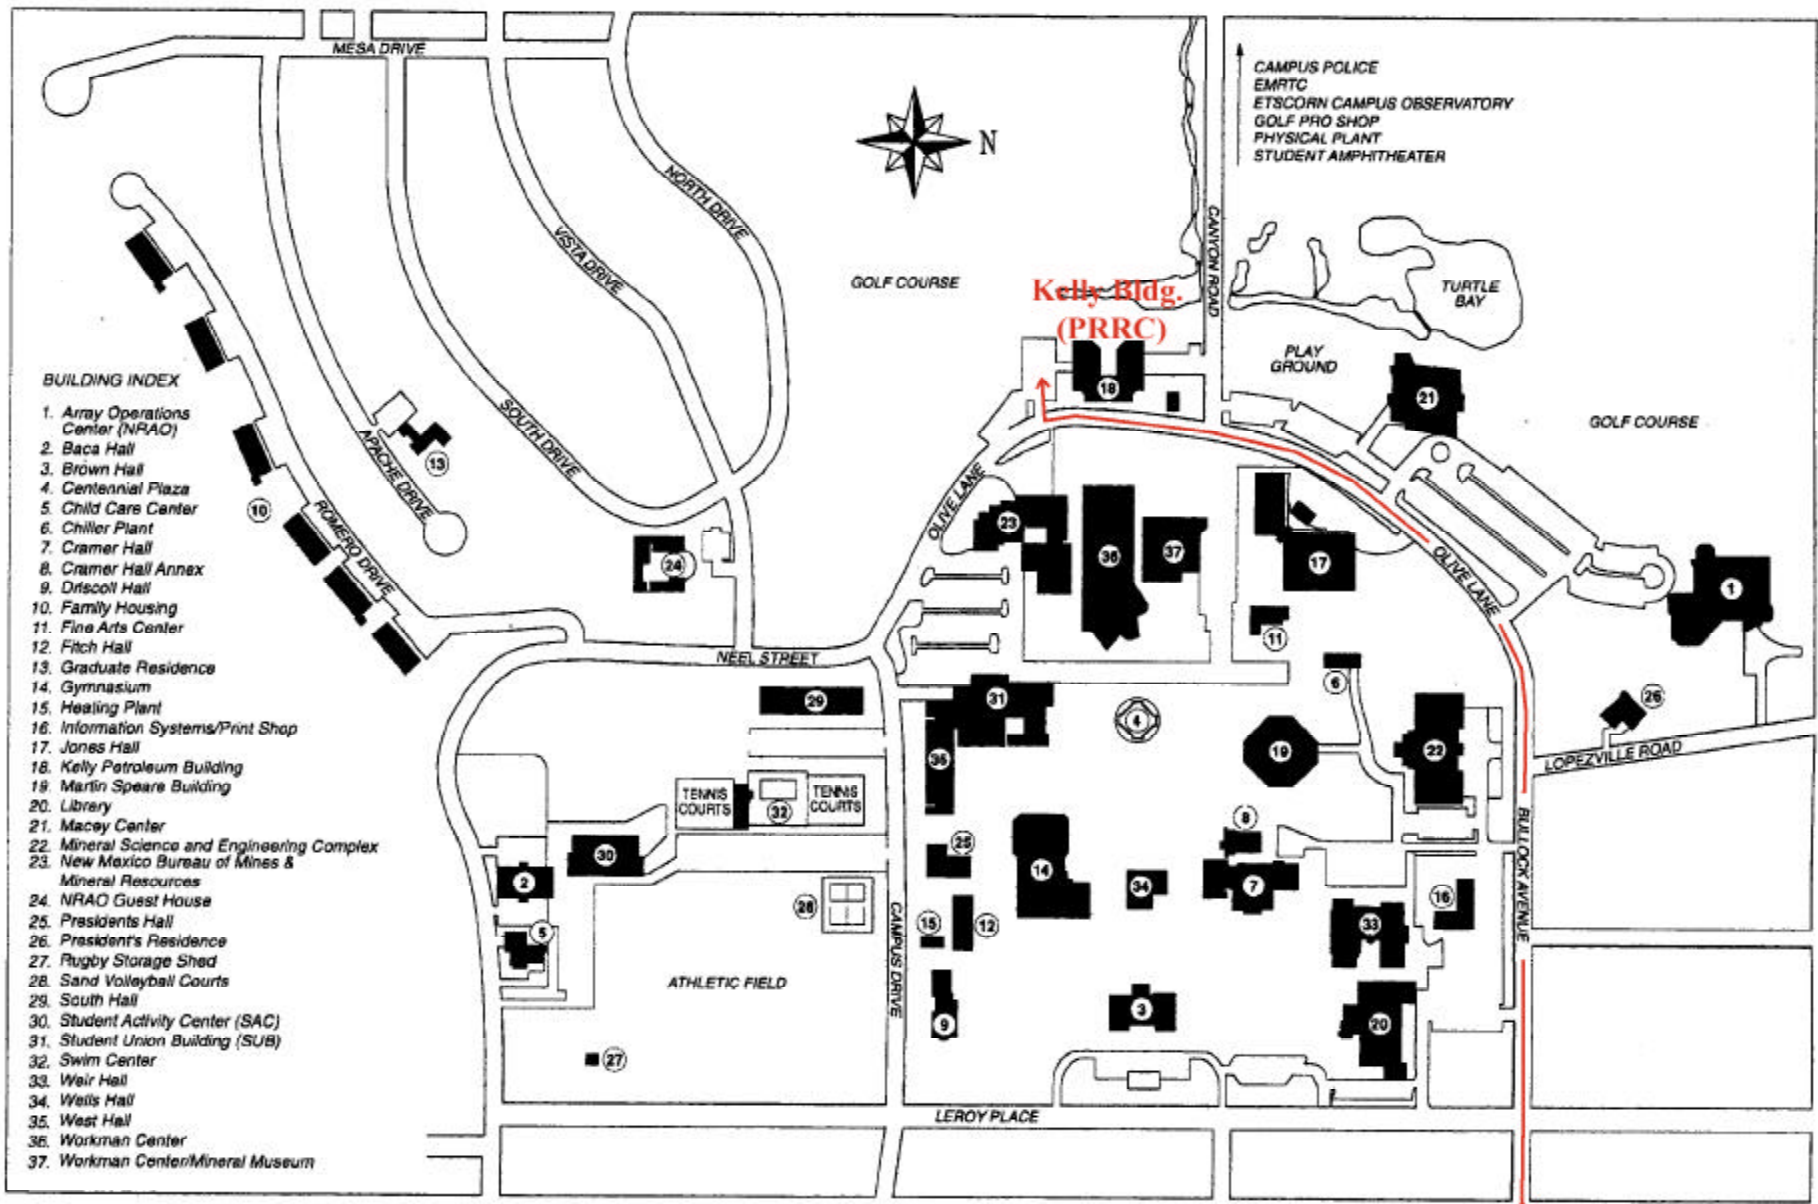

Socorro is about 75 miles south on I-25. Take the first exit for Socorro (exit 150). That will become the main street, California Avenue. The Holiday Inn Express is on your left.

To get to campus, continue south on California until you reach Bullock, then turn right (Taco Bell will be on your right.). When Bullock enters campus, it curves to the left and becomes Olive Lane (see attached map). If you continue on around, you'll see the Kelly building on the right. The view shown below is what you would see if you approached from the south (or what you will see, if you go too far and have to turn around).
